

TRAINING PORTAL · USER GUIDE

Consultant Guide

Everything your account can see and do inside the Training Portal — your assigned training, your progress, and scheduling your readiness demo.

Prepared for the Consultant account tier · Confidential — internal use only

GETTING ORIENTED

Your role

The portal is where you watch your assigned training videos, track your own progress, and — once you're ready — schedule your readiness demo. You only ever see your own information; there's no view of anyone else's account or progress.

SECTION 1

My Dashboard

Your home screen: your assigned training path, your overall completion percentage, how many videos you've completed versus how many are still pending, your total assigned courses, and the last video you completed. It also shows your current status — **In Training** or **In Marketing**.

The screenshot shows a user interface for a 'Training Portal'. On the left is a dark sidebar with the title 'Training Portal' and a user profile for 'Alex Rivera, Consultant' with initials 'AR'. Below the profile are links for 'My Dashboard' and 'My Courses'. At the bottom of the sidebar is a logo with the letter 'N' and the word 'out'. The main content area has a light beige background. It starts with a 'Welcome, Alex' greeting and a subtitle 'Training path: Guide Demo Training Path · In Training'. Below this are four white boxes with rounded corners: the first shows '50%' with 'Complete' underneath; the second shows '1' with 'Videos completed' underneath; the third shows '1' with 'Videos pending' underneath; and the fourth shows '1' with 'Assigned courses' underneath. Below these boxes, it says 'Last completed: Guide Demo Video 1 on 8/9/2026' and features a brown button labeled 'Go to My Courses'.

Metric	Value
Overall Completion	50%
Videos completed	1
Videos pending	1
Assigned courses	1

My Dashboard — your training path, progress, and readiness status at a glance.

SECTION 2

My Courses

Every course assigned to you — whether it came from your primary training path, was added to you individually as an extra course, or both — with a running count of videos completed in each.

Assigned by path

1/2 videos

My Courses — everything assigned to you, from your path and any extras.

SECTION 3

Watching a Course

Open a course to see its videos in order, with a clear marker for what you've already completed and what's still pending. Open any video to watch it and mark it complete when you're done — completion is entirely self-reported; no one marks it on your behalf.

SECTION 4

My Profile

Your own contact and personal information — name, username, email, phone, visa type, date of birth, and current status. If anything needs to change, use **Request a change** to send that request through rather than editing it directly.

Ready for your demo?

Book a slot with Guide Trainer.

Schedule your demo

To change any of these details, send a request to your coordinator.

[Request a change](#)

My Profile — your info, a change-request link, and your demo scheduling link.

Scheduling your demo: once you're ready, use **Schedule your demo** to open your assigned Trainer's booking link and pick a slot. This opens their scheduling page directly — no separate booking step happens inside the portal itself.
